# Foreword

*We at AMEB respectfully acknowledge Aboriginal and Torres Strait Islander Peoples as the Traditional Custodians of the lands on which we live, learn and create. We recognise their continuing connection to country, and draw inspiration from the music, dance, song and storytelling handed down through many generations. We pay our respects to the Elders who came before us, are with us today, and are yet to come. We commit to a reconciled and shared future.*

In 1887 a programme of music examinations was initiated in Australia by the Universities of Adelaide and Melbourne. Subsequently the Australian Music Examinations Board (AMEB) emerged in 1918 as a national body with the purpose of providing graded assessments of the achievements of music students. Later, examinations were also provided for students of speech and drama.

The Board provides syllabuses across a wide range of musical instruments, as well as in singing, theory of music, musicianship, music craft, and speech and drama. It has become the most widely used assessment system in these fields of study in Australia. The success and high regard for Australian musicians at an international level has been partly due to the encouragement of young performers in this country through their participation in AMEB activities.

While one of the chief functions of the Board is to set examination standards of a high order, more importantly it strives to offer all students access to some of the best repertoire for study purposes, whether they subsequently sit for the examinations or not. Through its publications the Board strives for the highest editorial standards of presentation together with advice on interpretation from some of the leading practitioners in the country. The Board has a commitment to including compositions by Australian and regional composers in its publications and syllabuses.

Overall direction of these activities is the responsibility of a Federal Board consisting of representatives of educational institutions that are signatories to the AMEB constitution, namely the Universities of Melbourne and Western Australia; Adelaide University; the Minister for Education and Early Learning, New South Wales; the Minister for Education and the Arts, Queensland; and the Minister for Education and Children and Youth, Tasmania, through the University of Tasmania.

The success of AMEB's role in developing standards of performance and scholarship has been achieved through the support of teachers in all states. A collaborative approach is used in the development of syllabuses and views are sought from teachers in all areas of the Board's work. With the assistance of its examiners and specialist panels, the Board will continue to work in association with teachers to provide encouragement for students and the sense of achievement that is an outcome of participation in its syllabuses and examinations. The Board believes that its activities ultimately lead to the enhancement of the cultural life of the community.

## SYLLABUSES

### Free 2026 syllabus downloads

For the first time, digital editions of all 2026 AMEB syllabuses will be available to download free of charge at [ameb.edu.au/syllabuses](http://ameb.edu.au/syllabuses).

This includes individual instrument syllabuses, syllabuses grouped by instrument family, and the complete 2026 *Manual of Syllabuses* (digital edition). This exciting new initiative reflects AMEB's ongoing commitment to accessibility and support for teachers and candidates throughout Australia.

The printed edition of the 2026 *Manual of Syllabuses* will continue to be available for purchase from [ameb.edu.au/shop](http://ameb.edu.au/shop) and from leading music retailers.

### Regulations: 21.3 Practical Gradings and Descriptors

The *Practical Gradings and Descriptors* (Section 21.3 of the AMEB Regulations, located in the front section of the *Manual of Syllabuses* and in all downloadable syllabuses) have been refined to improve clarity and ensure greater consistency in interpretation.

### Piano Series 19

AMEB is proud to announce the launch of Piano Series 19 – a full suite of grade books, handbooks and recordings (Preliminary to Grade 8) available as an additional resource for users of the current Piano syllabus. Series 19 includes exciting and challenging repertoire across a variety of styles, representing a wealth of new options for candidates and their teachers.

The works featured in Piano Series 19 have been added to the Piano syllabus in the 2026 *Manual of Syllabuses* and downloadable digital syllabuses. Where these works previously appeared in the Manual Lists, they have been moved to the relevant grade book listings.

Beyond this update there has been no alteration to the Manual Lists in the Piano syllabus, and no grade book series has been withdrawn as a result of Series 19 being added.

There are also no changes to the technical work requirements in the current syllabus, which continue to be outlined in the *Piano Technical Work* Level 1 and Level 2 books (2018).

The following publications, available from December 2025, may be used with the existing syllabus:

- Piano Series 19 – Preliminary to Grade 8* (2025)
- Piano Series 19 Handbook – Level 1* (2025, hardcopy edition)
- Piano Series 19 Handbook – Level 2* (2025, hardcopy edition)
- Piano Series 19 Handbooks – Preliminary to Grade 8* (2025, digital editions)

Additionally, the following resources will be available in 2026:

*Piano Series 19 Recordings* – Preliminary to Grade 8 (available to download from [ameb.edu.au](http://ameb.edu.au) and from music streaming platforms).

### Teaching Skills Videos

AMEB is also proud to have launched a new resource to support studio teachers as well as candidates for AMEB's Teaching syllabuses: AMEB Teaching Skills Videos. This is a series of on-demand professional development videos that cover core aspects of music teaching, featuring leading music pedagogy researchers and practitioners. The videos are being released progressively, with each addressing one or more chapters from the AMEB *Teaching Companion text* (2023).

The first video, *Music Teaching Foundations* with Dr Jennifer Blackwell, is available now, exploring theories of learning, their application to music, and evidence-based teaching practices.

The videos are available for purchase and access through AMEB's online platform, SCORE – [score.ameb.edu.au](http://score.ameb.edu.au).

## GENERAL REQUIREMENTS FOR PRACTICAL EXAMINATIONS

The following requirements are presented here for the convenience of practical syllabus users. Please be aware that much of this information is also found in Schedule A to the full Regulations available at [ameb.edu.au/regulations](http://ameb.edu.au/regulations).

### 1. Introduction

- (a) Comprehensive examinations in Preliminary to Grade 8 comprise three sections:
  - Section I – Technical Work
  - Section II – Studies and Pieces (sometimes referred to in a Syllabus as a Program)
  - Section III – Aural Tests, Sight-Reading and General Knowledge.
- (b) Repertoire examinations comprise one section only, performance of pieces and studies. The pieces and studies (works) are taken from the Comprehensive or For Leisure syllabus Lists for that instrument and Grade as specified in the relevant Syllabus.
- (c) Examinations for Certificate of Performance, Associate Diploma and Licentiate Diploma comprise two sections:
  - Section I – Studies and Pieces (sometimes referred to in a Syllabus as a Program)
  - Section II – General Knowledge.

### 2. Technical Work

- (a) Test requirements are set out in the current AMEB Technical Work publications for the instrument/subject and Grade, and/or in the relevant Syllabus.
- (b) All technical work must be presented from memory, unless otherwise specified in the relevant syllabus.

### 3. List pieces

- (a) Candidates must ensure they have prepared the correct number and type of pieces for their examinations. The number of Pieces and the Lists for each Grade are detailed in the Syllabus.
- (b) Candidates must ensure that the pieces they have selected collectively meet the performance time required for examination, where such time limits are applicable, e.g., Repertoire exams, Certificate of Performance, Diploma exams.

### 4. Extra List pieces

- (a) Two Extra List works are required for Comprehensive exams for all instrumental subjects and Singing from Grade 2 to Grade 7, both inclusive. Two Extra List songs are required in Musical Theatre from Grade 2 to Grade 6, both inclusive. Extra list works are not required for Piano for Leisure, Saxophone for Leisure, Singing for Leisure or Repertoire exams.
- (b) Extra List pieces should have an educational value similar to that prescribed in the syllabus. For example, candidates might wish to present another work from the syllabus, the current Grade book, or earlier series of Grade books. The candidate may present a work of educational value similar to those listed in the syllabus from another source. Candidates are required to demonstrate familiarity with these pieces by performing the whole or any part of them at the discretion of the examiner.
- (c) Accompaniment of Extra List pieces is not required, even if the work is written with accompaniment.

## 5. Own Choice pieces

- (a) Own Choice pieces should have an educational value similar to List pieces prescribed in the relevant syllabus. For example, candidates might wish to present another work from the syllabus, the current Grade book, or earlier series of Grade books. - (b) Accompaniment of Own Choice pieces is required if the work is written with accompaniment, or the relevant syllabus requires that any Own Choice work be accompanied.

## 7. Memorisation

- (a) In Musical Theatre and Singing for Leisure, candidates must perform all List songs and Extra list songs from memory.
- (b) While other candidates should be encouraged even at the earliest stages to make a habit of memorising, no additional credit will be given to candidates who elect to perform from memory.
- (c) Candidates playing from memory must bring their music to the examination for the General Knowledge section.
- (d) Licentiate candidates must present one work from memory, except candidates in Organ where presentation from memory is optional, and for Musical Theatre and Singing for Leisure as noted at 7(a).

## 8. Scores

- (a) Scores are printed sheet music which normally would be either:
  - (i) legally purchased (or otherwise legally accessed) physical sheet music or
  - (ii) legally purchased (or otherwise legally accessed) download(s) of sheet music
- (b) Scores are subject to the Copyright Act. Candidates must ensure that any scores or copies they provide comply with the Act. Enrollers, teachers and/or candidates should consult the Guide to Music Copyright for Teachers on the APRA/AMCOS website or contact APRA/AMCOS on 1300 852 388 or [apra@apra.com.au](mailto:apra@apra.com.au).
- (c) Australian and New Zealand publishers have given a limited waiver to entrants of examinations to use temporary copies of sheet music for examination purpose only. If you have been asked to provide a copy of your sheet music to organisers of an AMEB examination, you can do so by completing this Copyright Declaration Form and providing it to AMEB at the time of your exam. However, the candidate must bring the original scores of the sheet music to their examination.
- (d) In order to avoid a difficult page turn a fair use exception in the Copyright Act allows one to make a photocopy of a page and use that copy in conjunction with the original score. You may not copy the entire work or movement.
- (e) Candidates must bring one original score of each piece they are performing, including the music for the accompanist part where relevant, to the examination whether or not they are performing from memory. In examinations with a general knowledge section the accompanist's score is used as a basis for general knowledge questions.
- (f) Diploma candidates are required to supply original scores or authorised copies (see 8(b) above) for the use of the examiner.
- (g) Some syllabuses require submission and approval of repertoire selections prior to examination, for example Own Choice selections for particular AMusA and LMusA examinations. In those cases, submitted scores must comply with the Copyright Act.

## 9. Editions

- (a) Editions are mentioned as a means of identification. Specific editions are only prescribed where a work has been arranged, as alternative editions/arrangements may be of an unsuitable level of difficulty. Recommended editions of original works are often listed in AMEB syllabuses, but any standard and unabridged edition is acceptable.

## 10. Pencil Marks on Scores

- (a) Candidates must remove all marks from their music which refer to general knowledge information, including the meaning of musical terms and symbols. Markings such as fingering, bowing, pedalling, breath marks, and similar do not need to be removed.

## 11. Metronome Marks

- (a) Metronome marks are an approximate indication of required tempo.

## 12. Page Turners

- (a) Candidates may bring a person to act as page turner. The page turner can only remain in the examination room when required to turn pages and cannot assist a candidate in any other manner.

## 13. Accompanists/Collaborative Artists

- (a) If the examination requires an accompanist or collaborative artist the candidate must arrange their attendance. The examiner cannot perform either role.
- (b) In higher Grades, it is recommended that candidates engage the services of an experienced accompanist in order to do themselves full justice and be assessed accordingly.

## 14. Recorded accompaniment or backing tracks

- (a) Candidates may perform with approved AMEB recorded accompaniments in examinations in some Level 1 grades. The AMEB Federal Office provides [a range of recorded accompaniments](#).
- (b) Candidates may perform in AMEB 'For Leisure' syllabuses (i.e. Piano for Leisure, Singing for Leisure and Saxophone for Leisure) with backing tracks in the examination. Backing tracks may feature various instrumentation. This is not limited to backing tracks produced by AMEB.

(c) If using recorded accompaniments or backing tracks, the candidate must provide and operate suitable equipment for the examination: a CD player or other quality audio equipment which will have adequate sound level and quality in the examination room. Candidates should ensure that the equipment is fully charged if battery operated.

## 15. Instrument requirements

(a) Except for piano and organ, candidates should ensure they bring the correct and allowed relevant instrument(s) and any extra related requirements (e.g. spare reeds, rosin, endpin, recorded accompaniment music and player, pedal extender, etc.) with them.

(b) Candidates are responsible for the set-up, use and function of their instruments.

(c) AMEB State Offices and their staff (examiners, and supervisors) are not responsible for the provision, set-up, use and function of any instruments except for a Piano.

## 21. Aural Test Requirements

For candidates in comprehensive practical examinations only.

Aural Tests in Grades other than Preliminary are played twice.

In the case of tests specified in more than one Grade, the difficulty of the examples given to the candidates are adjusted to the standards of the respective Grades.

Interval Tests: Boys whose voices are at the 'breaking' stage may respond to the pitch tests by whistling instead of humming or singing.

In tests where interval recognition is required:

- Grade 3 requires candidates to name the interval as being the second, third, fourth, or fifth of the scale.
- Grades 4, 5 and 6 require candidates to name the intervals as major second, major third, perfect fourth, etc.

Grade	Test Requirements

	MELODY:	To hum or sing a short phrase played twice by the examiner, combining melody and time.
	PITCH:	To hum or sing the higher or lower of any two notes within the limits of an octave from middle C played simultaneously by the examiner.
	PITCH:	The examiner having sounded on the piano a note to be regarded as the keynote of the scale, the candidate will hum or sing and afterwards name the interval of the second, third, fourth or fifth of the major scale as played by the examiner, in succession to the keynote.

<b>Grade 4</b>	RHYTHM:	The examiner will play twice a passage in duple or triple time. The candidate will then tap or clap the passage and state whether it is in duple or triple time.

### FELLOWSHIP IN MUSIC AUSTRALIA – SCHEDULE B

#### The Award

The Fellowship in Music Australia [FMusA] is the highest and most prestigious award offered by AMEB.

The Fellowship can be undertaken in any instrument available for examination at Licentiate (LMusA) level in the current edition of the AMEB Manual of Syllabuses (Music syllabuses) including Voice.

The examination performance for this award is expected to reveal the following characteristics:

- Excellence in all areas including technical ability, musical maturity, stylistic understanding, and professional stage presence.
- An ability to fully engage an audience and to maintain interest over the entire programme.
- A concept of the works as a whole, performed with an understanding of the structure and the musical content of each, together with those elements that give them a particular unity or character.
- The maintenance of unity and continuity in multi-movement works, including appropriate timing between, and linking of, movements.
- Familiarity with the accompanying part in items requiring accompaniment, with a consistent and integrated sense of ensemble between soloist and associate artist.
- Mastery of technical and stylistic elements resulting in an expressive and coherent performance.
- Command of contemporary techniques appropriate to the instrument.
- Understanding of performance conventions relevant to the works being performed, and an ability to differentiate between a range of musical styles.
- A sense of professional presentation, with attention to posture, presentation and normal performance conventions.
- Performance from memory according to syllabus requirements.

To qualify for a Fellowship award, the candidate must display the above characteristics to an outstanding degree.

<b>SUBJECT CODE:</b>	9999
----------------------	------

#### Content

The candidate is expected to choose a full recital programme, of approximately 80 minutes' music content (60 minutes' music content in the case of Brass, Woodwind and Singing).

The programme should show balance and cohesion. Works will be chosen to demonstrate the candidate's proficiency in a variety of musical styles or in any style preferred by the candidate in the area of specialisation (e.g. Lieder, contemporary repertoire etc). It is expected that complete works will be chosen (e.g. a complete sonata rather than particular movements). The program should include works consistent with the high level of this award and avoid being dependent on repertoire from lower levels in the current AMEB listings.

The programme should be planned as two halves with a 20 minute interval.

If the candidate wishes to include contemporary works requiring prepared piano in the programme, this must be discussed with AMEB to determine whether it may be accommodated.

Chosen works which require Accompaniment or a Collaborative Artist(s) must be performed with the necessary Accompaniment or Collaborative Artist(s).

#### Memorisation

For pianists the entire programme must be presented from memory with the exception of contemporary works. For string players, the entire programme must be presented from memory except sonatas and contemporary works. For other instrumentalists, presentation from memory is encouraged but is not mandatory. For singers, presentation from memory is required except in cantatas and oratorio.

These requirements relate to both the video audition and the examination recital.

#### Entry

Candidates are advised that the process from entry to examination may take 12 months and it is suggested they contact their State Office for more information about the timeline and enrolment closing dates.

Candidates need to take three steps to enter for FMusA. A fee will be charged for each step.

**Step 1 – Programme submission:**

Candidates are required to submit their proposed programme, together with timings, for approval by AMEB. The programme should be submitted online via SCORE at [score.ameb.edu.au](http://score.ameb.edu.au). A fee will be charged.

The Federal Chief Examiner will consider the programme and the candidate will be advised within three weeks of the approval, or otherwise, of the programme. After notification of approval has been provided, no programme changes are allowed within 12 months. Should the candidate wish to amend their programme within that time, they will be required to restart Step 1. If the programme is not approved, the candidate may revise and resubmit their programme (if desired) once only up to two weeks after the initial notification is received. If the resubmission is also unsuccessful, candidates may recommence Step 1 after three months.

**Step 2 – Video audition:**

Following approval of the programme, candidates are required to submit a video recording of a performance of their entire programme, for approval by AMEB. This is a key stage in the entry process and will determine whether the candidate is offered the opportunity to enrol for the FMusA examination. A fee will be charged.

The video audition should be treated as a formal recital performance, conducted in a high quality environment, with live audience if desired. The video must be recorded in a single session on a single day and must include each individual work in the complete programme, including multi-movement works and associate artists. The candidate may stop at the programme interval point or take short breaks between works if needed. Video recordings should be submitted online via SCORE at [score.ameb.edu.au](http://score.ameb.edu.au).

The video will be considered by a panel of three current AMEB examiners, chaired by the Federal Chief Examiner. One of the other examiners will be a specialist in the instrument being examined. The candidate will be advised within four weeks whether their video audition has been successful and they may proceed to Step 3. If unsuccessful, the candidate may complete and submit another video recording within three months for assessment. No further resubmissions are allowed within 12 months at which point the candidate must restart the entry process.

**Step 3 – Enrolment for examination:**

Candidates must enrol for the recital examination with the AMEB office in their state within 12 months of the approval of their video audition. A fee will be charged.

**Recital**

The examination takes the form of a public recital.

Requirements regarding arrangement of the recital (including selection of venue, instrument requirements, rehearsal time, equipment, audience, and programme preparation) are set out by the AMEB State Offices. It is the responsibility of the candidate to follow these requirements. Candidates should consult with their State Office for further information.

Appropriate dress for a public recital should be worn, and the candidate should be aware of the appropriate manner in which to acknowledge the audience and the associate artist(s) if applicable.

It is the responsibility of the candidate to select and manage their associate artist(s) including payment of any expenses.

Candidates must bring to the recital three copies of the music for the examiners.

**Assessment**

Fellowship examinations will be examined by a panel of three examiners, chaired by an AMEB Federal Examiner. The other two examiners will be an AMEB examiner and a person who is not a current examiner, both of whom are either specialists in the instrument being examined or the instrument area. At least one of the three examiners will be a specialist in the instrument being examined.

## Violin (Comprehensive)

### Foreword

#### Aim

This syllabus aims to:

- Offer a structured and systematic progression of violin study with emphasis on a broad range of repertoire.
- Encourage candidates studying this syllabus to work towards the achievement of technical and artistic goals.
- Provide candidates studying this syllabus with an established system of assessment and recognition of achievement from an internationally recognised body.

This syllabus emphasises the consolidation of fundamental aspects of playing the violin including tone production, intonation, basic rhythmic skills and the relationship of the instrument and bow to the body. It also allows candidates to demonstrate progressive mastery of the instrument through the development and integration of right-hand and left-hand skills.

The syllabus combines the best of traditional repertoire and publications with some of the most attractive of contemporary resources.

By forging a close link between technical work and repertoire, this syllabus develops an awareness of the role of technique as a means towards expressive playing.

### Syllabus structure

The syllabus comprises three levels:

Level 1 – Preliminary to Grade 4

Level 2 – Grade 5 to Certificate of Performance

Level 3 – Associate Diploma (AMusA) and Licentiate Diploma (LMusA)

The Certificate of Performance is intended to provide candidates with the performance experience necessary to engage in Level 3 examinations. It also represents a capping level for those who do not intend to progress beyond Level 2.

While the Certificate of Performance does not include a separately examined technical work component, technical ability still forms an important part of the assessment focus. It is a primary means through which candidates can communicate expressive ideas and musical understanding.

There are no prerequisites for enrolment in the Certificate of Performance, and candidates do not need to have obtained a grading in a Certificate of Performance examination in order to proceed to Level 3.

For further information on the recommended pre-entry standards for the Certificate of Performance and Associate examinations, please refer to Regulation 8 in the front section of the *Manual of syllabuses*.

### Publications

This syllabus is supported by two series of grade books, *Violin Series 10* (AMEB, 2021) and *Violin Series 9* (AMEB, 2011), from Preliminary to Grade 7. These books may be used as a source of repertoire in addition to the repertoire found in the *Manual lists* for each of the grades.

The syllabus is also supported by *Violin Technical work* (AMEB, 2021), which contains all of the technical work for this syllabus, and *Violin Sight-reading* (AMEB, 2021), which contains exercises in sight-reading suitable to prepare candidates for this section of the examination. Additionally, the *Violin Series 10 Handbooks* Level 1 or Level 2 (print edition) or by grade (digital edition) are available. These publications include analyses of all works in *Violin Series 10* as well as further background information that will be of assistance in preparing candidates for Section III requirements. *Violin Series 9 Recording and Handbooks* (AMEB, 2011) are also available.

*Violin Series 8* grade books may not be used in conjunction with this syllabus (except as a source of Extra List works). *Violin Technical work* (2011) may not be used in conjunction with this syllabus. Candidates preparing for examination with this syllabus must draw their technical work only from *Violin Technical work* (AMEB, 2021). *Violin Sight-reading* (2011) does not contain indicative examples of the standard of the sight reading in the new syllabus but may still be used as an extra resource for practice purposes.

### Programme structure

#### Number of works to be presented

Candidates must present the following works at examination in addition to any Technical work, Sight-reading, Aural test, or General knowledge requirement (see 'General Requirements for Practical Examinations' in the front section of the *Manual of syllabuses* for further information):

#### Level 1

Candidates must prepare one work from each of Lists A, B, and C, in addition to any Extra List requirement (see *Extra Lists* below) for presentation at examination.

#### Level 2 (excluding Certificate of Performance)

Candidates must prepare one work from each of Lists A, B, C, and D, in addition to any Extra List requirements (see *Extra Lists* below) for presentation at examination.

#### Certificate of Performance

Candidates should prepare a balanced and varied programme of not less than 25 minutes and not more than 35 minutes, including appropriate gaps between the pieces. Candidates must prepare at least four works, one from each of Lists A, B, C, and D. Repeats may be performed at the candidate's discretion, as long as all other program requirements are met. All *da capo* directions must be observed.

- Additional works needed to fulfil the time requirements may be selected from any of or all of Lists A, B, C, or D.
- No more than one work by any composer should be selected.
- At least one complete work must be presented from memory.

For detailed examiner Advice to Licentiate Candidates please visit [ameb.edu.au/lmusa-practical](http://ameb.edu.au/lmusa-practical).

Candidates must provide a copy of each work for use by the examiner.

### Extra lists

Candidates are required to present two Extra List works in addition to List pieces for all grades from Grade 2 to Grade 7, both inclusive. Extra List pieces should have an educational value similar to that prescribed in the syllabus. For example, candidates might wish to present another work from the syllabus, the current Grade book, or earlier series of Grade books. The candidate may present a work of educational value similar to those listed in the syllabus from another source. Candidates are required to demonstrate familiarity with these pieces by performing the whole or any part of them at the discretion of the examiner.

Accompaniment of Extra List pieces is not required, even if the work is written with accompaniment.

### Listing of works

If a work has been arranged, candidates must prepare that arrangement and only that arrangement. A volume in which the arrangement can be found and the publisher of that volume are indicated at the end of the relevant syllabus entries.

In the case of works that have not been arranged (i.e. works originally for violin), volume and publisher citations are often given at the end of each entry. In the case of core repertoire for the violin, the opus number or catalogue number is given, and candi-

dates may choose to prepare the work from any reputable edition. Arrangements of such works must not be used.

For further information, see 'General Requirements for Practical Examinations – 8. Scores and 9. Editions' in the front section of the *Manual of syllabuses*.

### Examination conduct

#### Accompaniment

Where a List piece has a piano accompaniment, the work must be presented in examination with that accompaniment. Extra List pieces do not need to be accompanied.

Candidates for Preliminary to Grade 3 may use AMEB recorded accompaniments to perform Series 10 and Series 9 List pieces in examination as an alternative to using an accompanist. If using recorded accompaniments, it is the candidate's responsibility to provide and operate suitable equipment for the examination. When performing in examination with recorded accompaniments, candidates must use the '100%' or 'performance' tempo.

For further information, see General Requirements for Practical Examinations – 13. Accompanists/Collaborative Artists' and Regulation 22.1 in the front section of the *Manual of syllabuses*.

#### Additional requirements

Candidates are required to achieve a Pass grading in particular grades of Musicianship, Theory of Music or Music Craft (or equivalents; see Regulation 8) in order to complete the requirements for practical examinations at Grade 6, Grade 7, Grade 8, Certificate of Performance and for the Level 3 examinations.

For further information, see Regulation 8 in the 'Regulations' section at the front of the *Manual of syllabuses*.

#### Cadenzas

In applicable works in grade examinations up to and including Grade 6, candidates are encouraged to include cadenzas. From Grade 7, cadenzas must be included where indicated in concerto movements. The use of original or composers' own cadenzas is encouraged where these exist, although candidates may choose their own cadenzas. Where candidates choose to present their own cadenzas, consideration must always be given to the suitability of the cadenza to the musical style and period of the concerto.

#### Copies of works to be provided

Copies of works presented in the Certificate of Performance, Associate and Licentiate examinations must be provided for use by examiners. For further information, see 'General Requirements for Practical Examinations – 8. Scores' in the front section of the *Manual of syllabuses*.

#### Fingering and bowing

Fingering and bowing indications in AMEB grade books and Manual list works should be considered entirely editorial and may be altered as desired, unless otherwise indicated to achieve specific pedagogical goals.

#### Fingerboards

With the exception of Preliminary, the use of marked or fretted fingerboards is not permitted in any grade.

#### Presentation of Technical work from memory

Scales and arpeggios must be presented from memory.

Technical exercises may be read from the music.

#### Presentation of List pieces from memory

The development of memory skills should be an important feature of a musician's training and, accordingly, encouragement is given to the presentation of List pieces from memory from the earliest grades.

Candidates for the Licentiate examination must present one complete work from their programme from memory; presentation from memory beyond this requirement in the Licentiate examination is at the discretion of the candidate. For further information, see 'General Requirements for Practical Examinations – 7. Memorisation' in the front section of the *Manual of syllabuses*.

#### Timing of examinations

The time allotted for all examinations is outlined in 'General Requirements for Practical Examinations – 20. Time allowed for Practical examinations' in the front section of the *Manual of syllabuses*.

#### Tuning

The ability to tune the instrument accurately and reliably should be developed from the start of the violinist's training. Candidates must tune their own instruments from Grade 5. Teachers may tune the candidate's instrument from Preliminary to Grade 4, both inclusive.

#### Bibliography

Please note that websites have been included in the bibliography where possible, and where they are considered to be relatively stable and reliable. The AMEB does not necessarily endorse the views expressed on any website.

#### Objectives

The candidate is expected to demonstrate musicality, maturity, conviction, and confidence in the performance of a well-balanced programme that covers a variety of technical skills and musical emphases.

#### Section I. Pieces

The candidate should demonstrate:

- A concept of the works as a whole, performed with an understanding of the structure and the musical content of each together with those elements that give them a particular unity or character
- Mastery of the technical and stylistic elements resulting in a fluent, expressive, and coherent performance
- The maintenance of unity and continuity in multi-movement works, including appropriate timing between and linking of movements.
- Familiarity with the accompanying part in items requiring accompaniment, with a consistent and integrated sense of ensemble between soloist and associate artist
- Command of special effects appropriate to the instrument and required for particular musical and stylistic reasons (e.g. *vibrato*, *glissando*, extended techniques etc.)

- Understanding of performance conventions relevant to the works being performed, and an ability to differentiate between a range of musical styles
- A sense of professional presentation, with attention to posture, appearance and normal performance conventions
- Performance from memory according to the requirements of the specific syllabus
- Performance of cadenzas where indicated in concerto movements.

### Section II. General knowledge

Candidates will be expected to demonstrate a mature understanding of the structure, style and historical background of the repertoire that is performed and to use this as a basis for discussing the interpretive choices that they make.

Questions, which will be asked from the full piano score, will focus on the following areas:

- Terminology, including the significance of titles and the meaning of all markings contained in the score.
- Composers: relevant biographical information, sources of influence, impact upon later generations of composers and repertoire output (both in the discipline being examined and more broadly).
- Historical and stylistic context: how each work relates to the period from which it arises, considering both its compositional style and the performance conventions of the time.
- Structure: formal layout, keys, melodic/harmonic language and the identification of climax points.
- The construction and development of the violin, with special consideration given to any implications this may have upon the repertoire that is performed.
- Knowledge of other works by composers of the examination pieces with particular emphasis on the violin repertoire

Candidates must provide the examiners with clear, unmarked copies of all scores, including the piano part.

In the Licentiate examination, candidates may be asked questions on the general literature and repertoire of the violin and the meaning of any terms and signs commonly used in violin music.

# Violin (Repertoire)

## Foreword

Repertoire exams have been introduced for Level 1 and Level 2, up to Grade 8, for most syllabuses for examination from 2019. Repertoire exams provide an option for candidates to present for an AMEB assessment with repertoire requirements only. There are no Technical work, General knowledge, Aural test or Sight-reading requirements for the Repertoire examination.

While Repertoire exams do not include a separately examined technical work component, technical ability still forms an important part of the assessment focus. It is a primary means whereby candidates can communicate expressive ideas and musical understanding.

## Repertoire examination syllabus structure

*Level 1 – Preliminary to Grade 4*

*Level 2 – Grade 5 to Grade 8*

## Own Choice selections

Own Choice pieces can include any work listed in Violin (Comprehensive) for that grade. They can also include any work not listed on the syllabus, but which is of a similar length and educational value to the other pieces featured on the syllabus lists. It is the responsibility of the candidate and their teacher to ensure that the Own Choice work chosen is appropriate for the grade. Please note AMEB is unable to provide prior approval for Own Choice works. Own Choice works written with a piano accompaniment must be presented in examination with that accompaniment.

## Section I, Section III and Extra List requirements

There are no Technical work (Section I), Aural test, Sight reading, and General knowledge (Section III) or Extra list requirements for Repertoire exams.

## General Requirements and Examination Conduct

Please refer to all sections in 'General Requirements for Practical Examinations' in the front section of this Manual (noting that '2. Technical Work', '4. Extra List pieces', '21. Aural Test Requirements', '22. Sight-reading Test Requirements' and '23. General Knowledge Test Requirements' do not apply to Repertoire exams).

Please also refer to 'Listing of works' and to all instructions under *Examination Conduct* in the *Foreword* of this syllabus (except 'Presentation of Technical work from memory', which is not relevant to Repertoire examinations).
